**AMENDMENT UNDER RULE 37 CFR 1.111 AS A SECOND RESPONSE TO A NOTICE  
OF NON-COMPLIANCE**

Commissioner for Patents  
Alexandria, VA 22313

Dear Sir:

A response to the Office Action dated May 21, 2004 was submitted on Monday August 23, 2004. This response was found non-compliant regarding claim presentation according to the new amendment rules for characterizing claims. A first response to the Notice of Non-Compliance was filed on October 4, 2004. Upon further review of that first response and the Office Action of May 21, 2004, the Office Action was found to refer to 24 claims when only 23

total claims were filed. This second response corrects the numbering of added claims and properly presents the claims in accordance with the new amendment practice. Therefore, please amend the above-identified Application as follows:

Amendment to the Specification begins on page 3 of this paper. Amendments to the Claims are reflected in the Listing of Claims which begins on page 4 of this paper.

Remarks/arguments begin on page 11 of this paper.
